Mosaic Bible Church launched in October 2013 with the purpose to glorify God by being a redemptive community that Lives purposefully, Loves passionately, and Labors relentlessly to impact the world for Christ!

God led United States Intelligence Officer James Hinton and his family to the Shenandoah area to plant Mosaic Bible Church with this vision: To Live, Labor and Love for the Glory of God. Pastor James explains, “At Mosaic, we believe that God has called men to lead and pastor their homes. Our goal is clear and plain—to build great men! This great task is accomplished by cultivating an environment where biblical masculinity is the standard, not the exception, for men.”

This new body of believers has taken to heart what they call the Watchmen Prayer Initiative, based on Isaiah 62:6-7, Ezekiel 3:17-19, and Ezekiel 22:30.

Pray for Mosaic Bible Church and planter James as they seek revival among men in Winchester and in the Shenandoah Valley. Their number-one goal in building strong families is to start by building great men.
