ITEMS FOR CRISIS PREGNANCY CENTERS

God is the author, creator, and sustainer of life and every life has value because His image has been imprinted on every human. So, why is life so expendable in our culture?

The abortion rate in America ranks among the top 10 highest in the world, with the latest statistics showing nearly 900,000 abortions annually. What can we do to fight this culture of death and to bring the light of the Gospel into the lives of hurting women and families?

Pregnancy Resource Centers and Crisis Pregnancy Centers are on the front lines fighting this war, and your church can help. During the months of June and July, SBC of Virginia churches are encouraged to engage their local Pregnancy Resource Center to find out needs and to jump in to serve.
