

Is your **church** reaching its **community**?

There is now an interactive mapping system available that will prompt church members with ways to Bless Every Home.

Signing up to be a light is **easy** and it is **FREE!**

Learn how to sign up and get started at sbcv.org/blesseveryhome

Easy Steps

1. Sign up to be a light

It is easy and it is free to be a light to your neighbors!

2. Invite others to be lights too

The more lights you have in your church, the more reach you have in your community.

3. Sign up to be a partner church

For a nominal fee, a designated church administrator can track the progress of your church's activity in all four ways to **Bless Every Home**. A shaded neighborhood map makes it easy to see the engaged areas. And the first month is **FREE!**
