

# Internship to Ministry

## Ministry Intern Scholarships

In 2017, Nate West received a *Vision Virginia* scholarship that allowed him to intern with the student ministry at The Heights Baptist Church in Colonial Heights, Virginia. Not having to worry about getting a job over the summer, Nate was able to focus instead on his work with The Heights, both in their youth group and summer camp. Through this time, Nate was able to listen to and reaffirm God's calling on his life and ministry.

Now, Nate serves as the youth pastor at Red Lane Baptist Church in Powhatan, Virginia, impacting the lives of the next generation, relating to them and bringing them closer to God.

Thanks to your prayers and gifts through the *Vision Virginia* missions offering, you can give students, just like Nate, an opportunity to find God's calling in their lives.
