

Don & Lanail Hamilton

📍 Kansas • June 26, 2022

Today in our missions prayer time, let's go to the middle of the United States — to Kansas City, Kansas. That's where Don and Lanail Hamilton, two of our North American missionaries, are planting a new church, just south of downtown. Both Don and Lanail grew up in Kansas City and they say God has called them to plant Veer Church so it can welcome people from all ethnic groups to become disciples of Christ.

Nearly two-thirds of the city's 138,000 people are part of some ethnic group. Veer Church's four-sentence plan applies to all: "Know God. Find freedom. Discover purpose. Make a difference." Don has served on three other church plants. But he says planting Veer Church has been better because of the training and help he has received from our North American Mission Board.

Our church supports our board and the Hamiltons through our Cooperative Program giving. Let's ask God to guide Don and Lanail in their missions ministries and that Veer Church will grow and multiply to reach thousands for Christ!
