

Every local church has a local school.

Every local school needs community partners. Back-to-school season provides the opportunity to seek and strengthen these relationships.

LET'S PRAY FOR OUR AREA SCHOOLS

PRAY FOR YOUR SCHOOL BOARD AND SCHOOL ADMINISTRATIONS to promote truth in local schools.

PRAY FOR TEACHERS as they often deal with a lack of supplies and parental support and are trying to help every student excel and learn.

PRAY FOR FAMILIES as they prepare their children for a year of school that will bring new exciting opportunities and difficult challenges

PRAY FOR STUDENTS to grow in truth and grace and to pursue excellence in school.

PRAY FOR CHRISTIAN STUDENTS to be salt and light in their schools.

PRAY FOR YOUR CHURCH to find new ways to engage their families, students, teachers and administration members this school year.

As local schools begin the 2022-2023 school year, they need the support a local church can offer. How can your church encourage and partner with area schools?
