

Lives are *Transformed* by the Gospel, thanks to your gifts.

Communities are reached through

## Bless Every Home

“Every encounter now is intentional,” shared Larry Mason. “I’m always looking for the Holy Spirit just to open the opportunity to share Jesus with them.”

Larry and Susan Mason wanted to reach their neighbors with the Gospel. After attending SBCV’s Annual Homecoming, they learned about Bless Every Home — a resource to help churches reach their communities with the Gospel.

This evangelism tool elevated their passion to share Christ’s love in practical ways. This is now a model Salem Baptist Church in Crozier is using where the Masons are active members.

One of the neighbors Larry and Susan prayed for stopped them one day to let them know he got saved, was baptized, and is attending church. Their relationship has grown now to help one another often.

It begins with prayer, but the Lord moves you from prayer to action. Thanks to your gifts through Vision Virginia, neighbors across the state receive prayer and opportunities to see the Gospel through acts of kindness.

...and so much more!
