

PRAY FOR FAMILIES

As a result of receiving God's generous love, believers should give of themselves to others. (1 John 3:16)

Thank God for His generous nature; ask Him to continue to cultivate that in you, your family and church.

PRAY FOR FAMILIES

Scripture teaches that one way we love God is by meeting the physical needs of others. (Matthew 25)

Ask God for the opportunity to honor Him by meeting the needs of the hungry in your community.

PRAY FOR FAMILIES

*As believers live generously, the result is praise to God.
(2 Corinthians 9:13)*

**Ask God for a harvest of praise unto Him as believers
meet hunger needs in their communities.**
