

**Note from Mrs. Nancy**

I am so excited that you are now part of the family of God! You are His child! God has done a great work in your heart through the Holy Spirit. Now that you believe, it is time to learn what

all this means. This workbook is going to help you learn more about God and what He did through His Son, Jesus, in your life!

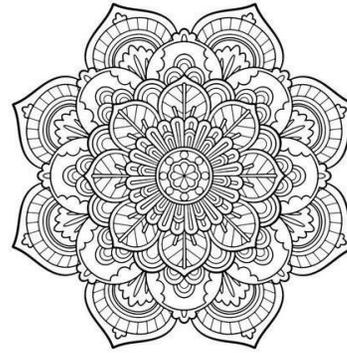

When you complete the book we will schedule a time for you to make a testimony video to be shown on the day of your baptism, you will learn about sharing your testimony on Week 6, page 41 in your workbook. The inserted page will give you additional help as you prep for the videotaping. And you can invite family and friends to attend!!

Contact Mrs. Stephanie Rhoades in the church office about your video and baptism.
