

# Advanced Disaster Relief *Training*

Training may be conducted for **lead cook, unit leader, DR Chaplain, and/or chainsaw operator** at each location. Each training will last approximately 8 hours. Attendees must complete all sessions to be credentialed in an area of instruction.

Snacks, water, coffee and lunch will be provided.

## The following materials will be covered for the indicated course:

---

### Lead Cook

- » Safety
- » Feeding Team Composition
- » Lead Cook Responsibilities
- » Equipment (Use & Maintenance)
- » Menu Planning
- » Cooking (Food Safety, Health & Sanitation, & Food Preparation)
- » Methods and Techniques

This course will be a mix of classroom and operating the feeding unit. This team will also be responsible for preparing lunch for all the participants of the training. The Feeding unit will be set up, operated, cleaned and closed for transportation during the training. Long pants and closed-toed shoes are required. Much of the time will be outdoors regardless of weather conditions (hot, cold, wet or...?). Dress appropriately!

### Chainsaw Operator

- » Safety
- » Chainsaw Team Composition
- » Operator Responsibilities
- » Equipment Maintenance
- » Operation (Cutting Techniques & Risk Management)

The majority of the time will be in the field learning and practicing cutting techniques. Attendees **MUST** wear long pants and steel-toed, over-the-ankle boots. All other safety equipment will be provided. Plan on a long day outdoors regardless of weather conditions (hot, cold, wet or...?). Please dress appropriately!

### Unit Leader
