Saving lives through

Pregnancy Support Centers

When Tiara Utley discovered she was pregnant, she questioned whether or not she should mother this child. That was until she received biblical counsel from Care Net Peninsula in Newport News.

And thanks to gifts provided through the Vision Virginia state missions offering, this pregnancy center now has an ultrasound room to show families the gift of life. It is making a difference because women can come to get the help and hope they need to choose life for their baby.

Care Net Peninsula is one of many pregnancy centers across Virginia where newborn babies have a chance. Thank you for playing a critical part in this ministry.

...and so much more!
