Acts 4:13 – “Now when they saw the boldness of Peter and John, and perceived that they were uneducated, common men, they were astonished. And they recognized that they had been with Jesus.”

I was scrolling through Facebook the other day and everyone looked so happy. Children were playing, couples were smiling in selfies and all the people seemed so put together. The reality is that most of us do not have it all together. Our lives are messy no matter what social media says.

Jesus came for the broken, not the boastful.

As Peter and John were used by the Holy Spirit to build the church in Acts, they had a reputation, not as put together theologians, but as uneducated and common men. They were seen as nothing special by human standards. However, it was obvious to everyone that these broken, average men had been with Jesus.

Jesus is not looking for the smartest, most talented, stage-driven people to use for His glory. He is looking for people who put sin to death, feast on His Word and labor in prayer. Our world needs to know Christians by our name — people who have been with Christ.
