

## Mark & Susie Edworthy

Krakow, Poland

### Missionary Highlight

June 2, 2019

**T**oday we're going to talk about two of our missionaries in Poland who did something amazing. Mark and Susie Edworthy moved to Krakow, Poland's second largest city, in 2016. In just one year they got a strong church planted and doing well.

Fifty people attended the first service and soon the church started youth clubs, English classes, outreach on campuses and evangelism projects. It was unusually successful in just a year.

Here's what happened: It was the second time Mark and Susie served in Poland. In 1991 they went to Poland the first time, but after some years moved to another place to serve for several years. Their 2016 move to Poland was their second assignment there. So they knew the language, knew many people and knew what to do. Soon people were accepting Christ through the church.

Today, let us celebrate this wonderful ministry by our missionaries, Mark and Susie! It is so good to know that our church is supporting them every month as we give through the Cooperative Program.

Let's pray for them now and ask God to continue to bless their work there in Poland.
