

MISSIONARY HIGHLIGHT: August 30, 2020

Jeremy & Crystal Nelson **Spain**

Today for our prayer time we are going to pray for Jeremy and Crystal Nelson, who serve in Madrid (say mah-DRID), the capital of Spain.

We can say they are “our” missionaries because we support them through our church’s Cooperative Program giving.

Spain is a huge mission field: About 46 million people live in Spain and fewer than 1 percent of them are saved.

But Jeremy and Crystal have an interesting approach to evangelism.

Thousands of people from South America have settled in Spain in recent years and many of them are Christians. So Jeremy and Crystal reach out to these immigrants. They teach these immigrants the Bible and how to share their faith with Spaniards who do not know Christ as Savior.

Jeremy grew up as a missionary kid in Venezuela. Also, he and Crystal served as missionaries in South America for several years before moving to Spain. This is how they are planting new churches in parts of Madrid that have no evangelical witness.

Let’s pray now for Jeremy and Crystal and their multi-national approach to missions. Let’s ask God to show our missionaries how to how to lead thousands of Spaniards to faith in Christ.

52 Sundays is produced in partnership with the SBC Executive Committee, International Mission Board, North American Mission Board, Woman’s Missionary Union, and the Baptist State Conventions.
