

COOPERATIVE PROGRAM

Josh & Melinda Turansky

BALTIMORE, MARYLAND

Today in our prayer time we are going to Baltimore, Maryland.

That's where two of our missionaries, Josh and Melinda Turansky are serving.

They were on the other coast, in southern California, when God called them in 2015 to the Fells Point section of southeastern Baltimore. Josh and Melinda have started Haven City Church there, but that's just half their ministry.

They also help operate Compassion Center, which ministers to needy people in their community by distributing clothes, household items and food to help needy and homeless people.

Helping meet physical needs opens the way to share the gospel and meet the spiritual needs people have. Josh and Melinda are two of the dozens of missionaries our church supports in Baltimore, because literally hundreds of new churches are needed there.

Our church is able to have a hand in all these ministries through our Cooperative Program giving.

Now, let's pray for Josh and Melinda and their three children as they serve in Baltimore. Let's ask God to keep them safe and to reward their ministry with many people responding to the gospel message they proclaim.
