

Josh & Kimbre Thrower

UGANDA

Today in our prayer time we are going to focus on Uganda in Africa. More than 42 million people live in this country.

This is where two of our missionaries, Josh and Kimbre Thrower, are serving. We support them through our church's Cooperative Program giving.

Josh and Kimbre serve in Kampala, the capital city. About two million people live in and around the city. It is also growing very quickly, because every week thousands of people move there to live. They come from many lands in Africa and speak many languages.

How can two missionaries reach such a large city? They spend their time discipling local believers and teaching them to share the Christian faith with people all over Kampala. This is how missionaries can multiply their impact.

Today, let us pray for Josh and Kimbre and their three children as they serve in Uganda. Let's thank God for their missionary service.

Let's ask God to bless their ministry and make Kampala a Christian city.
