*“Then I saw Heaven opened, and there was a white horse! Its rider is called Faithful and True, and in righteousness He judges and makes war...The armies that were in Heaven followed Him on white horses, wearing pure linen.”*

**REVELATION 19:11,14**

Here, we are told that one day Jesus will return triumphantly to earth on a white horse, with the saints of heaven riding after him on white horses. Revelation 5:9-10 lets us know that every people group on earth will be represented among those saints on the white horses. For the Wa people of Asia, God actually used a white horse to bring them to Jesus originally!

A prophet named Pu Chan proclaimed that a man was coming who could reconnect them with the True God. One day, he saddled a white pony and told some men to follow it. The pony led them for more than 200 miles and stopped at a well in a missionary compound. Missionary William Young was actually inside the well digging it out! When he emerged, a connection was made that led to tens of thousands of Wa trusting Jesus! The next time you see a white horse, think both of Jesus' second coming and how God providentially brings together people that need Jesus with those ready to share the Gospel!
