

## Advance the Kingdom of Christ

DANNY CAMPBELL

*“For even in Thessalonica you sent gifts for my need several times. Not that I seek the gift, but I seek the fruit that is increasing to your account.”*

**Philippians 4:16-17**

The apostle Paul was very grateful for the partnership he had with the Philippians in the Gospel. He had been instrumental in the planting of their church, and now he felt their support in tangible ways. Not only did they pray for and give to support Paul’s further church planting efforts, they had sent Epaphroditus to minister alongside him (Phil. 2:25-26).

Even as Paul commends them for the tangible ways they had helped him, he pointed them to the reality that actions that advance Christ’s kingdom will receive an eternal reward. He says he is seeking the “fruit that is increasing to your account.” He certainly wasn’t referring to their ability to receive an apostle Paul bobble-head from the Pauline gift shop back in Antioch! He is echoing the words of Jesus who urged disciples to “store up for yourselves treasure in Heaven” by doing things that advance His Kingdom. The old adage is true, “you can’t take it with you, but you can send it ahead.”
