*Chesapeake, Virginia*

## **About LifePoint Christian Fellowship:**

Our desire as a church is to lead people to become healthy, growing, multiplying followers of Jesus. We plan to create environments that encourage and equip people toward intimacy with God, community with one another, and influence with our world.

## **Ways to Partner:**

We would greatly appreciate prayer partners. We may also have opportunities during the summer months to join us for a week of backyard Bible clubs or local ministry projects.

## **Pray:**

- For overall impact and influence on our community--to see more people come to place their faith and trust in Jesus Christ.
- For our search for property/a facility.
- For healing for the broken and wounded.
- For continue unity among our fellowship.
