

SBC
OF VIRGINIA

Michael & Beth Ann Bard
Church Planter

THE WELL
Glen Allen, Virginia

About The Well:

We are a Christ-centered community--an overflow of love, hope, and freedom. We exist to lead people to know and follow Christ. We value to keep it simple, to walk in unity, to live generously, and to maintain integrity.

Ways to Partner:

- We are always looking for teams to help us get the word out about The Well. We have teams come regularly to hand out door hangers and help us with community connect days (smaller versions of block parties and/or community service days). We are currently looking for help in August. We need partners to canvas neighborhoods with invitations and/or help with a block party in the park. Contact Pastor Mike by phone or email if interested.

Pray:

- For us to reach our financial goal for the year.
- For our weekly Sunday gatherings--that we would put God first and connect new people to the Gospel as well as to our fellowship.
- For continued growth in our core community as we are building a volunteer base to come alongside of us to serve and share the message of Christ.
- For the 27,000 individuals who live in Short Pump--that those who don't have a church and those who don't know Jesus would come to know him as a result of The Well.
- That we would have influence and clear connection points (places to meet people).
- For us to make disciples that make disciples. Pray for our life groups, kids' ministry, and leadership development.

MEETING LOCATION:

*SBC of Virginia
4956 Dominion Blvd
Glen Allen, VA 23060*
