

Adei & Verneda Batsuli
Church Planter
THIRST CHURCH
Washington, DC

About Thirst Church:

Thirst Church exists to reach people where they are so Christ becomes the center of who they are. We are planting in the Petworth community of Washington, DC. Our desire is to minister to the Ward 4 section of the city, eventually planting churches in Montgomery County. We have a desire to penetrate the culture with the Gospel and see Jesus followers become the epicenter of culture, community, and creativity.

Ways to Partner:

- We are looking for financial partners, prayer partners, and launch team members (especially a worship leader).

Pray:

- For our family to find community in DC.
- That God would bring the right people to become a part of Thirst Church.
