## **About Resonate Church:**

Our mission at Resonate Church is to align with Christ through Gospel-centered worship; to apply His Word in our everyday lives; and to amplify His love by serving one another. Our vision is where God's Word resonates in our lives and we amplify His Gospel to the world!

## **Ways to Partner:**

- We are in need of prayer partners and financial partners.
- For the summer of 2019, we will need mission teams or interns to help as we start our summer sports outreach and block parties.

## **Pray:**

- That we would be a disciple-making church that multiplies.
- That we will stay faithful to God's Word in all we say and do.
- That we will not lose our first love (Revelation 2:4).
- That we will run the race set before us to go and make disciples.
