PILLAR CHURCH OF WOODLAWN
Alexandria, Virginia

About Pillar Church of Woodlawn:

God is beginning to gather a new church in the Woodlawn community of Alexandria, VA just north of Fort Belvoir's Pence Gate. On September 13, 2015, Pillar Church of Woodlawn began meeting every Sunday morning for Bible study and worship. Our heart is to know Jesus and make Him known among our neighbors and the nations. We're excited to see our community come to Christ, Christians be transformed by the Word, and the church mobilized for the mission!

Ways to Partner:

- We are in need of financial supporters with a desire to see God glorified among our nation's military members and their families on and around Fort Belvoir.
- We are in need of mission teams year-round:
 - To perform needed maintenance on the building that was given to our church plant
 - To conduct door-to-door outreach to better determine the needs of our community
 - To put on camps, block parties, and other events for the community children

(Mission team lodging is available in our building for up to 50 people. Please email for more details on how your team can come alongside us to impact our military sons and daughters with the Gospel.)

Pray:

- For continued grace as we build, develop, and unify as a church body.
- That disciples would continue to come, catch the vision, and join our efforts.
- That God would be working in the hearts of those in our community and beyond and that we would be sensitive to join Him in His ministry of reconciliation.
