SOUTHERN DEAF FELLOWSHIP
North Chesterfield, Virginia

About *Southern Deaf Fellowship:*

We are a Deaf church, reaching out to Deaf, hard of hearing, and hearing people interested in learning about the Deaf and about sign language. We seek to reach the Deaf in their heart language. We have a burden to reach the 36 million Deaf souls throughout the world, 7.5+ million of whom live in the US.

Pray:

- That God would open opportunities to reach Deaf people throughout the Chesterfield/Colonial Heights area
