Church Planter

VILLAGE CHURCH

Churchville, Virginia

About Village Church:

Village Church is located in the rural context of western Augusta County, VA. We exist to make disciples of Jesus by reaching families with the hope of the Gospel. We do this by helping people connect to God, grow together, serve others, and then go lead others to Jesus. We have a strong desire to reach and strengthen whole families—young to old.

Ways to Partner:

- We would love to have mission teams to do some canvassing and to put together a block party for our community.
- We would also love to provide interns or apprentices experience in the field anytime of the year.

Pray:

- For us to reach others, make disciples, equip the saints to ministry, and develop leaders who make a difference
- That God would continue blessing us with the finances to grow
- That God would provide a more permanent meeting location for us to reach our area with the hope of the Gospel

MEETING LOCATION:

Churchville Elementary School
3710 Churchville Ave
Churchville, VA 24421
