**Jared & Betsy Harker**  
Church Planter Apprentice

**JOURNEY CHRISTIAN FELLOWSHIP**  
Quinton, Virginia

---

## **About Journey Christian Fellowship:**

Jared Harker is currently serving as a church planter apprentice at Journey Christian Fellowship. Journey is an eight-year-old church plant that was birthed with a heart to advance the Gospel to New Kent County and to the ends of the earth. Journey passionately pursues and disciples men, women, and children and believes that if we reach God's appointed heads of the home, then the family will follow. Journey seeks to be an active and key player in its community and uses its storefront church facility as a community center. People cycle through all week, and the Gospel is shared (Journey offers a public coffee shop, batting cages local Little League teams, Centershot Archery program, and multiple other weekly activities). Jared strongly feels the call of God to be used as a church planter and is benefiting greatly under the leadership and training of Journey Christian Fellowship as he waits for God's timing and direction on church planting.

## **Ways to Partner:**

- Pray for the Harker Family

## **Pray:**

- Please pray that in this season Jared would find contentment and joy in serving this local church plant as a humble learner and as a Barnabas to the ministry there. Pray for Jared to sense God's clear direction and vision for the future as he seeks to serve the church and Jesus daily.
