About

Iglesia Bíblica Bautista Emanuel

Jefferson is a church planter apprentice at Iglesia Bíblica Bautista Emanuel in Ashburn, VA.

The church began in 2007 with six people who had a desire to plant a Baptist church for the Hispanic community. Through evangelism and visitation, our numbers grew, and we had to find a new meeting location within two years. By God's blessing, the church has continued to grow. Our focus is not only to reach the city of Ashburn but to plant more churches in the next five years. Our long-term vision is to reach out to the Hispanic community of Washington, DC and Virginia through a multiplying network of church plants. Our goal, if it be God's will, is to plant 10 or more churches that will also multiply and plant more churches.

Partner:

We would like to work in partnership with the churches of the SBC of Virginia to prepare our church and to open new works in evangelistic activities for community impact. In addition, we would like the church to have training in theology, church growth, and church administration.

Pray:

- For the spiritual life of my family and me
- That God will always nurture and protect my marriage
- For the people who do not yet know God--that they may convert because of the Word of God
