DEAF CHURCH AT DC
Washington, DC

About Deaf Church at DC:

Our mission is to draw/connect the Deaf to the Lord and train/equip them for the world [The Great Commission (Matthew 28)].

Ways to Partner:

We are slowly getting our feet planted in the Northern Virginia/DC area. We are looking for places to have Bible study/storying. We look forward to introducing ourselves and sharing about our ministry at Gallaudet University's homecoming this fall.

Pray:

We are already entering spiritual warfare. Pray for the Lord's protection and His wisdom to share the Gospel. Like the story of Joshua going to tear down the Jericho walls, we want to see the Lord reign inside and outside of Washington, DC and the walls of Gallaudet University. Pray for the development of a core team.
