## **About Christ Revealed Church:**

Christ Revealed Church's mission is making disciples and encouraging the discouraged followers of Jesus Christ.

In the first year, we will focus in Loudoun and Fairfax Counties by doing multiple outreach programs.

Christ Revealed Church plans on building relationships with other churches targeting the French-speaking community in the Metro DC area and beyond.

## **Ways to Partner:**

- Partners that will pray and assist with events and financial needs
- Partners that would have an interest in church planting needs in the Congo

## **Pray:**

- For the growth of the church.
- That we will find our own place of worship.
- For Christ Revealed Church in Congo.
- For the health of our son (Hadriel).
