

Heath & Tiffany Kennedy

Church Planter Apprentice

BEDROCK CHURCH FRANKLIN COUNTY

Rocky Mount, Virginia

About *Bedrock Church Franklin County*

Heath is currently serving as a church planter apprentice with Bedrock Church Franklin County, but his prayer is to one day plant a church in his hometown of Bluefield, VA. He believes that there is a need for all people to live in a Gospel-centered community where they can share each other's burdens and rejoice in each other's accomplishments. In his letter to the Thessalonians, Paul writes, "And we urge you, brothers, admonish the idle, encourage the fainthearted, help the weak, be patient with them all" (1 Thessalonians 5:14). Heath believes this type of community can only exist when Jesus is the center point of our lives and we care more about each other and less about ourselves.

Ways to Partner:

- Church leaders willing to work together to reach this region of Virginia.
- Financial partners to help with the cost of reaching our community.
- Teams to assist in local mission opportunities in the Bluefield area.

Pray:

- That we would trust in God's timing in this planting process.
- That God would begin to assemble the right team in Southwest Virginia and southern West Virginia.
- That God would open the door for employment opportunities in Southwest Virginia or southern West Virginia for us.
- That God would break our hearts for those who are lost and far from Him.
