

Adam & Kaylan Long
Church Planter Apprentice

CATALYST CHURCH
Newport News, Virginia

About The Future Plant:

Adam is currently serving as a church planter apprentice at Catalyst Church in Newport News. He is also working with Bill Dumphy to co-plant GracePointe Church in Williamsburg.

GracePointe Church exists to reflect God's glory, point our community to His grace, and make disciples of Jesus. It is our goal to make the name of Jesus famous in Williamsburg. It is our hope to see a revolutionary transformation in our lives and our community as the Gospel radically orients us to Jesus and His mission of redeeming and renewing the world. We envision people from every corner of our community united under a new identity in Jesus and sent to love and serve our community and the cities of the world.

Our aim is to plant a church that plants a church and so on. Two of the people groups we are praying over in Williamsburg are the unchurched (who comprise 60% of our community) and the campus of William and Mary (which is host to an average of 7,000 college students in Williamsburg). After meeting in our community for over a year, we launched our first public service on September 9, 2018.
