*Dumfries, Virginia*

## **About Iglesia Biblica Gracia Eterna Dumfries:**

Two years ago, the Lord call us to plant our second church IBGE, with the vision to be a Gospel-centered church that preaches, make disciples, and plant churches.

We have seen that the Hispanic population is growing quickly. The Hispanics represent 26% of the entire Dumfries population. Our community is in desperate need of the message of the gospel.

We are convinced that God is sending us to plant Iglesia Biblica Gracia Eterna in the Dumfries community.

## **Ways to Partner:**

- Joining our core team.
- Praying for us.
- Supporting us financially.

## **Pray:**

- Pray that our church can experience a revival.
- Pray that our church families can experience the power and providence of God during this covid season.
- Pray for those in our church family that have members and friends affected by this virus.
- Pray for my family, that we can continue encouraged and strong following God's call.
- As some are losing their jobs and some others are experience their work hours been reduced, pray that God can provide for our people and they can keep giving to our church.
- Pray for financial supporters for our church and our family.
- Pray that during this season we can show the love of Jesus to our neighbors, this is a good opportunity to share the Gospel.
