GRACE HILL CHURCH
Herndon, Virginia

About Grace Hill Church:

Grace Hill Church is a new, Christ-centered church in Herndon, VA. We believe that the Church is strongest and most effective when we have Christ-centered congregations scattered throughout the whole world who proclaim the Gospel clearly and preach the Bible faithfully. We're thrilled to join the community of Gospel-preaching churches in the DC area in the common mission of reaching this region with the Good News of Jesus Christ. Our vision at Grace Hill Church is to be a church where all people can find joy in Jesus.

Ways to Partner:

We are in need of:

- Financial partners
- Prayer support
- Mission teams to help with service projects and community events

Pray:

- That Grace Hill Church would see healthy growth through conversions
- That we would develop meaningful relationships in our community to know how best to serve and love people
