FOUNDATION CHURCH
Fredericksburg, Virginia

About Foundation Church:

Foundation Church exists so that, through the church, the manifold wisdom of God might be made known throughout the campus of the University of Mary Washington, the city of Fredericksburg, and all nations, by the making of disciples, baptizing, and the preaching of God's Word. Our heart is to see a Gospel-centered, multi-ethnic, and culturally diverse church in Fredericksburg, serving as a foundation and catalyst for Gospel growth and committed to reaching the community, engaging culture, making disciples, training leaders, and planting churches.

Ways to Partner:

- We are in need of mission teams/volunteers to help with downtown service projects and community events.
- We are in need of financial supporters.

Pray:

- For missional focus and Gospel faithfulness.
- For faithful leaders and model servants of Christ.
- For unity and growth among the body.
- For continued favor in the community and around downtown.
- For material needs: printed materials, books, other resources, and financial support.
