## **About Iglesia de las Americas:**

Our mission: Changing lives, transforming homes with the Gospel to worship God in all nations. Our purpose is to plant Hispanic churches in Virginia and now in Puerto Rico.

## **Ways to Partner:**

We need the following support for Puerto Rico:

- Help with workshops and training in evangelism and discipleship (for pastors and church planters)
- Help prayerwalking in San Juan and in rural areas
- Teams to help with a block party and health fair
- Volunteers to support churches and pastors for two months this summer
- Financial support to plant new churches

## **Pray:**

- For partner churches in Puerto Rico.
- For the next hurricane season (people in Puerto Rico are fearful).
- For people to be open to the Gospel.
- For Puerto Rican pastors to be open to change and new ways to evangelize Puerto Rico.
