WATERFRONT CHURCH DC
Washington, DC

About Waterfront Church DC:

Waterfront Church exists to develop Christ-followers in DC who are: saved, set free, growing in Christ, serving, standing unashamed, and discipling others.

Ways to Partner:

- **Christmas Outreach**—in partnership with the Courtyard Marriott Navy Yard, we are offering free pictures with Santa, cookies, and cocoa. This is a free outreach to our community. The Marriott is providing the refreshments and the meeting space. Waterfront is organizing the rest of the event. We need volunteers to help pull this off!
- **Spring Break**—we are looking for teams to blitz the area with Waterfront publications, hand out water promoting the church, and help with various community outreach projects.
- **Summer 2017**—we are booking teams to hold sports camps, Vacation Bible Schools, promote Waterfront, and partner with several DC non-profits.

Pray:

- That many who don't know Christ will come to know Him.
- That current believers will be strengthened in their faith and begin actively discipling others.
- That God will establish the work of Waterfront Church DC to bring Him glory and change our nation's capital!
