About *Tabernacle of Praise Ministries International:*

Tabernacle of Praise Ministries International has a vision to reach the unreached Africans in Richmond, in surrounding areas, and in Africa -and to obey God's direction to go wherever He leads. We are looking forward to planting a church in Petersburg, VA and are currently helping plant a church in West Africa, Liberia.

Ways to Partner:

We are looking for partners to join us in spreading the Gospel. You can help us with block parties, community outreach, soccer outreach, mission trips, and training church leaders. We also need help building our music and children's ministries.

Pray:

- For church plants in Richmond and Liberia
- For the future plant in Petersburg
- For the provision of leaders
- That we will hear God's voice
- For our family
