*Church Planting Multiplier*

**IGLESIA BÍBLICA BAUTISTA EMANUEL**

*Church Planting Center | Ashburn, Virginia*

---

## **About Iglesia Bíblica Bautista Emanuel:**

The church began about eight years ago with six people who had a desire to plant a Baptist church for the Hispanic community. Through evangelism and visitation, our numbers grew, and we had to find a new meeting location within two years. By God's blessing, the church has continued to grow. Our focus is not only to reach the city of Ashburn but to plant more churches in the next five years. Our long-term vision is to reach out to the Hispanic community of Washington, DC and Virginia through a multiplying network of church plants. Our goal, if it be God's will, is to plant 10 or more churches that will also multiply and plant more churches.

## **Ways to Partner:**

We would like to work in partnership with the churches of the SBCV to prepare our church and to open new works in evangelistic activities for community impact. In addition, we would like the church to have training in theology, church growth, and church administration.

We could use help with summer events (ex., small football tournaments for youth, Vacation Bible School, camps) and with distributing Christmas gifts and food for people in need.

## **Pray:**

- For the spiritual life of my family and me
- That God will always nurture and protect my marriage
- That God will give us churches and brothers who financially can support the planting of new churches
- For God to send laborers into His harvest
- For people who do not yet know God to convert because of the Word of God
