THE MISSION CHURCH
Norfolk, Virginia

About *The Mission Church:*

Our mission is to make disciples in the context of the diversity of the people who make up the city. We regularly gather for worship and scatter to witness to and for the glory of God.

Ways to Partner:

As we minister in the urban center of Norfolk, VA, we desire to partner with local churches for long-term relationships that are marked by prayer for The Mission Church, support for local community outreaches, and financial contributions.

Pray:

- For team members to join us in establishing firm roots for the new church.
- For opportunities to serve the military families in Norfolk.
- For our outreach at Norfolk State University.
- For meaningful, mutually beneficial, and long-term partnerships with other local, regional, and statewide churches.
