REGISTRATION AND REFUND POLICIES

In preparing for camp, the SBCV obligates itself financially by purchasing supplies, reserving facilities and hiring staffers. We base our purchases, reservations, and hired staffers on actual number of registrations, with *some* allowance for fluctuations. We understand that circumstance arise that may prevent a student from attending camp. In order to reduce as much as possible, the costs associated with cancelled reservations we require a minimal deposit and have attempted to leave registration open as long as possible. Campers should carefully consider their ability to attend camp before registering. The following policies will govern registration, deadlines, and refunds.

- Student Fusion is available to rising 6th graders thru recent high school graduates.
- Churches must bring 1 adult for every 10 students of each gender.
- A \$300 per church deposit is required to hold your desired number of spots.
- Churches may increase or decrease the number of spaces reserved for camp until May 21.
- After May 21, all reserved spots must be paid in full by June 22.
- Additions after May 21 will be considered based upon availability.
- Any church group that submits paperwork after the deadline of May 21 will incur a \$75 late fee.
- Please do not arrive at camp with non-registered campers or those that have not completed the necessary forms.
- Churches must be able to provide transportation for their groups to and from the mission sites throughout the week.
- It is our desire to keep everyone safe and comply with all regulations. Student Fusion participants will be asked to adhere to all current COVID-19 protocols at the time of the event.
