## **About The Village Church of Portsmouth:**

Our mission is to win the lost and strengthen the believer through the love of Jesus Christ. We accomplish this by strengthening families, empowering education, instilling discipleship, and operating in servant leadership or what we call F.E.D.S. These focuses are all undergirded through a 4-P principle of Prayer (2 Timothy 2:15), Passion (Mark 12:28-34), Purpose (Romans 8:28) and People (Matthew 28:19). Through all of this, we are fiercely committed to winning the city of Portsmouth for Christ and in building His people in relationship with Him.

## **Ways to Partner:**

- We need financial partners to help support Pastor James (J.T.) and his family.
- We have a strong call to start a food and clothing ministry. We have a space for it, but it needs flooring, painting, walls to be finished, and shelving.
- We need computers or laptops for our tutoring program to middle and high school students in Portsmouth.

## **Pray:**

- For the city of Portsmouth—that God will continue to cultivate the hearts of people as we minister to them.
- For two local high schools—IC Norcom and Churchland. Both represent demographics in our congregation, and we are strategically praying for these schools.
- For the four apartment complexes surrounding our church—that we can effectively reach them with the Gospel.
- For our tutoring and summer camp—for resources (both financial and volunteer help) and for the Lord to bring youth and their parents to Christ.
- For our leadership team—for strength, focus, wisdom, and discernment.
- For the individual families within the church—many are dealing with difficult situations.
