THE WAY CHURCH

Henrico, Virginia

About The Way Church:

The Way Church exists to love God, love others, and make disciples who go to our neighbors and nations with the Gospel of Jesus. We are a church of small groups with a focus on multiplying at every level: disciples making disciples, small groups reproducing small groups, and being a church that plants church-planting churches.

Ways to Partner:

- Partnering through prayer
- Partnering financially
- Partnering in local outreach efforts

Pray:

- For the development of disciple-making leaders.
- For The Way Church to multiply at every level.
- For the Gospel to spread to the nations through the church.
- For the leaders of the church, that they remain faithful to the Lord and His Word.
