Charles & Tranay Wilson
Church Planter
THE HILL CHURCH
Roanoke, Virginia
About The Hill Church:
The Wilsons relocated from Dallas in June of 2017 to begin working on this new church plant. After almost two years of learning the landscape, The Hill Church launched with the intention of being a multicultural, multi-ethnic Gospel witness in the NW part of the city.

VISION
A diverse family of believers committed to Jesus, the Gospel, and one another.

MISSION
Reaching our neighbors, equipping the Church, and reconciling the Valley.

Ways to Partner:
Because of the economic challenges in the NW part of our city, we are in need of financial partners who understand the reality of planting churches in difficult places.

Pray:
• For our leadership team to grow in unity as we serve our city.
• For continued leadership development, specifically for elders to be raised up.
• For a strong worship team.
• As we start our new small groups this fall.
