

Setting Up the Portable Tents

*****Note: You must have 4 people, one for each leg, to setup and takedown the portable tents. If you do not then you will risk breaking the tent. ******

Setup:

1. Remove the tent from the bag and stand it up.
2. With 4 people, one for each leg, walk the tent out so that it opens to its make size.
3. All together begin to stand raise the height of the tent by pulling up on legs and pressing buttons.
4. Once the tent is at its max height, stake it down where you desire to have it. The stakes are in the tent bags.

Take Down:

1. Reverse steps 1-4.
